KILLS NOROVIRUS, INFLUENZA & SARS-CoV-2 (COVID-19)

Pack Size: 8.5g, 85g, empty 500mL

SURFEX® is the world's first dry surface biofilm remover and surface disinfectant with proven scientific data.

Low Level Disinfectant

- Surfex® is intended for use on environmental surfaces and for non critical medical devices such as hospital beds and theatre trolleys.
- Surfex® requires a 5 minute contact time at 20°C for disinfection of most bacteria, fungi or viruses. A 10-minute contact time is required for Mycobacteria (TB) or if there is a known outbreak of *Clostridium difficile*.

- Surfex® offers versatility in routine Aged Care facility cleaning with excellent materials compatibility when compared with Bleach/Chlorine.
- Surfex® is proven to kill *Clostridium difficile* (and spores)*, Norovirus, Parvovirus, VRE and Coronaviruses including SARS-CoV-2 (COVID-19).
- ARTG No: 257360

ODOUR CONTROL

A health problem such as incontinence is a common occurrence amongst older people. Whiteley Corporation can provide carers with the products necessary to clean up after an incident has occurred.

Pack Size: 500mL, 5L

ODACON®

Incontinence Spray

- Highly efficient deodoriser for incontinence and human excrement.
- Eliminates a common cause of urine smell by neutralising urine and faecal odours.
- Significantly reduces offensive odours.
- Water based and non-irritant to skin. Designed for safe use where regular contact with normal skin may become a part of the management of incontinent patients.
- Non flammable.

Pack Size: 500mL, 5L

FLOROGEN

Concentrated Air Freshener

- Kills 99.9% of odour causing bacteria.
- Effectively deodorises for 24hrs or longer in some areas.
- Alcohol based surface and space deodorant.
- Available in five fragrances: Original, Lavender, Frangipani, Strawberry and Citrus.

With the population now living longer there is an increasing number of elderly who need specialist attention in aged care facilities.

As we get older our skin tends to require extra special attention. Both aged care residents and their carers can keep skin soft and hygienic by using a combination of products in Whiteley Corporation's extensive skin care range.

DERMALUX SOFT TOWEL LOTION

Superior Bed Bathing System

- Mild, natural, organic lotion for cleansing skin.
- Cleanses and refreshes skin whilst maintaining skin integrity, without dryness or irritation.
- Leaves skin feeling fresh, clean and invigorated.
- Increases efficiency and productivity with carers and reduces costs through water and energy savings.
- Significant WH&S benefits through reduced manual handling.
- Increases resident privacy and comfort.
- Promotes physical and mental relaxation.
- Saves time over conventional bathing methods.

Pack Size: 1L, 5L
