

EARTHSMART®

TOTAL BATHROOM CLEANER

The EarthSmart® range offers high performance cleaning with the added comfort of knowing you are not harming the environment. Careful consideration has been given to all aspects of the product lifecycle to ensure that this product is environmentally preferable. 100% recyclable containers, packaging and marketing materials have been used and all products are proudly made in Australia, reducing unnecessary carbon release from excessive transport and freight from overseas.

BENEFITS:

- Readily biodegradable
- Non-hazardous
- Non-toxic
- Chlorine free
- Phosphate free
- Non-hazardous according to GHS classification.

EarthSmart® Total Bathroom Cleaner is a readily biodegradable, non-hazardous dilutable detergent for use in all areas of the bathroom.

EarthSmart® Total Bathroom Cleaner is available in 5L bottles and has a 500ml refill reuse bottle to help lower your ecological footprint.

DIRECTIONS FOR USE:

Toilet Bowls & Urinals: Fill 500mL EarthSmart Refill-Reuse bottle. Squeeze solution directly beneath the rim of the toilet bowl and scrub soils with toilet brush.

Showers & Wash Basins: Use neat for heavy soiling or dilute 1:5 for general cleaning.

Refill... Reuse... Recycle... By using the Refill-Reuse bottles you are minimising waste and the resources consumed for the product's entire lifecycle. All bottles in the EarthSmart® range can also be recycled. Think... EarthSmart®

ABOUT LMS:

Our comprehensive learning platform offers a broad range of information including the latest information on Infection Prevention and Control, recommended products and cleaning processes for individual markets.

HEALTH AND SAFETY STATEMENT:

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT:

Whiteley manufactures products that comply with Australian and International environmental policy. Whiteley aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley products are supplied in 100% recyclable containers. Whiteley and its staff are fully committed to ensuring that our environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
