

# FABRIPOWR PLUS

## CARPET PRESpray DETERGENT

FABRIPOWR PLUS offers superior cleaning performance without the use of alkaline boosters or enzymatic detergents. FABRIPOWR PLUS is a multi-use product that can be used as a carpet detergent, carpet prespray or a prespotter for difficult stains. FABRIPOWR PLUS contains built odour suppressors and effectively deodourises heavily soiled carpets. FABRIPOWR PLUS offers carpet cleaners versatility with the one carpet cleaning product.

FABRIPOWR PLUS is suitable for use in both truck mount and portable carpet cleaning machines. FABRIPOWR PLUS provides economical dilution ratios due to its concentrated heavy duty formula.

### BENEFITS:

- Deep cleaning of carpet fibres.
- Rapid soil penetration and dislodgement.
- Suitable for use on most carpet fibres including wool.
- Suitable for use on most stain resistant carpets.
- Built in odour neutraliser
- Excellent detergency on natural and synthetic fibres

### DIRECTIONS FOR USE

Always pre-test a small inconspicuous area prior to first use.

PRODUCT USE	DILUTION RATE	APPLICATION
Prespray	Normal soils: 25mL/L of water Heavy soils: 50mL/L of water	Spray evenly over carpet with atomising spray. Allow to react for 10 to 15 minutes before extracting
Prespotter	Normal soils: 200mL/L of water	Apply to stain. Gently agitate working from the edge of the stain towards the centre. Soak with dry cloth or extract.
Detergent	Normal soils: 5mL/L of water Heavy soils: 10mL/L of water	Add FABRIPOWR PLUS directly to the tank of the extraction machine and dilute with hot water. Clean the carpet using the diluted detergent and extraction machine. Extract detergent residues from the carpet using cold water.

**SAFETY DATA:** Information is listed in the Safety Data Sheet.

**PACK SIZE:** 3 x 5 Litre

**PROFESSIONAL CLEANING COLOUR CODED GUIDE:**

The Industrial product range has been streamlined to make it easier for you to choose the right product. This provides a simple, straightforward guide for finding products for specific cleaning needs. The product range has been categorised into an easy-to-use product selection chart.

**HEALTH AND SAFETY STATEMENT:**

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/ disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

**ENVIRONMENTAL STATEMENT:**

Whiteley manufactures products that comply with Australian and International environmental policy. Whiteley aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley products are supplied in 100% recyclable containers. Whiteley and its staff are fully committed to ensuring that our environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.

**ABOUT LMS:**

Our comprehensive learning platform offers a broad range of information including the latest information on Infection Prevention and Control, recommended products and cleaning processes for individual markets.
