

Impact

Base Sealer

Insist on **Whiteley Industrial** when ordering your hard floor care products

Impact is:

- > A clear non-yellowing, UV resistant, penetrating sealer
- > A semi permanent seal containing excellent levelling properties
- > Resistant to scratching and scuffing
- > A low maintenance sealer with a high gloss finish for all types of hard floor surfaces

Impact provides a hard, durable and low maintenance finish to all types of hard floor surfaces. **Impact** eliminates the need for regular stripping and will last for an extended period of time depending on environmental wear factors. **Impact** is best used as a base coat for Brilliance Sealer finish where a buffable finish is required for Ultra High Gloss.
Slip resistance rating F classification as per AS/NZS 4586:2004
