COMMERCIAL & MEDICAL LEGIONELLA FILTERS

Legionella Filters In Chrome Or White

SafeWater offers an extensive range of legionella filter products such as [Inline Legionella Filters](#), [Legionella Tap Filters](#), [Legionella Shower Filters](#), [Anti Bacteria Kitchen Filters](#) for outlets as well as in-line applications, specifically designed legionella filters for the Commercial and Healthcare sector in chrome or white. There is no need to throw away a perfectly good housing as we also supply [Replacement Legionella Filters](#) in both chrome and white to treat between 5,000 litres to 20,000 litres.

No need to evacuate premises to carry out deep cleans - immediate protection from *Legionella* and *Pseudomonas* bacteria using our Legionella Filters.

Download the new SWP Legionella Filters Product Brochure.

WE ARE CERTIFIED

Safe Water Products guarantees the legionella filters product quality through rigorous testing, advanced manufacturing, meticulous design and vigorous management, and warrants for the warranty period of one year that its legionella filter products will be free from substantial defects in materials and workmanship.
