1 weather resistant bin cap
1 labelled red wheelie bin 140 ltr
Dimensions: 480 × 544 × 1060 mm

When responding to oil and fuel spills of up to 100 litres, TSS120W spill kit is the one to choose. Because it is packed in a bright lime green, labelled wheelie bin it is easy to locate and take to the site of the spill. The highly absorbent oil pads are easy to deploy and retrieve. No brooms or shovels required for oil spill clean up.

To avoid conflict with AS4123.7, all Spill Station spill kits are now supplied in lime green bodies and lids that meet the AusSpill Quality Guidelines.

Product Description

Clean up 100L spills of oil, fuel and other Class 3 liquids with this fast response spill control kit.
