20L General Purpose Spill Kit AusSpill Quality Compliant

SKU: 20L General Purpose Spill Kit AusSpill Quality Compliant (TSSIS20GP)

Link: <https://www.spillstation.com.au/compliant-general-purpose-spill-kits/compliant-20l-general-purpose-spill-kit/>

Product Information

The compact size of this spill kit makes it ideal for use in utes, cars and other small vehicles including forklifts.

It contains pads, loose absorbent, containment boom to prevent the spread of the spill and quickly convert the liquid hazard into an easily managed solid.

General Purpose Spill Kit Compatibility Guide(<https://static.spillstation.com.au/uploads/Sukerup-Organic-Chem-Resist-guide.pdf>)

AusSpill Spill Kit Quality Guidelines November 2018. We believe these guidelines are the precursor to the Australian Standard. Support for the development of the Australian Standard for Spill Response Kits has been provided by safety and Environment Regulators across Australia as well as stakeholder industry associations.
