

## AusSpill Compliant General Purpose Spill Kit 240 Litres

SKU: AusSpill Compliant General Purpose Spill Kit 240 Litres (TSSIS240GP)

Link: <https://www.spillstation.com.au/compliant-general-purpose-spill-kits/compliant-general-purpose-spill-kit/>

## Product Information

In November 2018 the Australian Spill Control Industry Association (AusSpill) published product quality guidelines for Spill Response Kits.

Each Spill Kit in this range is independently tested to BS5979 to ensure it meets the absorbent capacity requirements and adheres to the appearance obligations as stated in the quality guidelines.

This kit is suitable to use with oils, fuels, coolant and other general workshop liquids.
