

Multi-Purpose Body Fluid Spill Kit

SKU: Multi-Purpose Body Fluid Spill Kit (ZTSSVBX)

Link: <https://www.spillstation.com.au/spill-kits-lab-med/body-fluid-spill-kit/>

Product Information

Absorbing Capacity: 10 Litre

Container Volume: 10 Litre Pail

Body fluid can contain pathogens such as hepatitis and HIV. It is critical to ensure that you are wearing the correct PPE when addressing body fluid spills. As well as all required PPE, the VomBox contains a fast acting powder to absorb liquids and odours instantly. It is suitable to use with all biohazard body fluids including vomit, blood and urine. Ideal for schools, hospitality, buses and clinical environments.
